ABSTRACTS

This Supplement contains the selected Abstracts presented at the 26th Great Wall International Congress of Cardiology, Asia Pacific Heart Congress 2015, and the International Congress of Cardiovascular Prevention and Rehabilitation 2015, held October 29–November 1, 2015, at the China National Convention Center, Beijing, China.

The abstracts are being reprinted without journal editorial review. The opinions expressed in this supplement are those of the panelists and are not attributable to the sponsor or the publisher, editor, or editorial board of the *Journal of the American College of Cardiology*. Clinical judgment must guide each physician in weighing the benefits of treatment against the risk of toxicity. References made in the articles may indicate uses of drugs at dosages, for periods of time, and in combinations not included in the current prescribing information.
